

## Ring Sizes

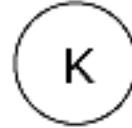

Not sure of your ring size? If you want to make sure that your size choice is correct, simply print out this page to view the ring sizes on the right to scale. Then place a ring that already fits you over a circle, making sure the inside of the ring lines up with the outside of the circle. When you find a match, you've found the right size! Since screen resolution and printer settings may vary from computer to computer, we have included specific measurements for your reference.
