How to Measure - T-Shirt

1 Chest - 1" below armhole measure straight across, edge to edge.
2 Waist - At point specified below HPS (High Point Shoulder) or SNP (Side Neck Point). Measurement taken straight across, edge to edge.
3 Hem - Measured straight or curved along bottom edge, side seam to side seam (whichever is specified on the measurement chart).
4 Shoulder Seam - From HPS/SNP measure along the seam to the outer shoulder edge.
5 Cross Shoulder Seam - From outer shoulder edge to outer shoulder edge.
6 Sleeve Over arm - From outer shoulder edge, measure along fold to the sleeve opening.
7 Armhole Straight - Measure straight from outer shoulder edge to bottom of armhole. Armhole Curved - Measure from outer shoulder edge along curve to bottom of armhole.
8 Bicep - 1" below armhole, measure straight across edge to edge parallel to the sleeve opening.
9 Sleeve Opening - Measure along sleeve opening, edge to edge.
10 Across Front - From specified point below HPS/SNP, measure straight across, edge to edge of armhole.
11 Across Back - From specified point below HPS/SNP, measure straight across, edge to edge of armhole.
12 Back Neck Width - Edge to edge, seam to seam or inside binding (whichever is specified on the measurement chart).
13 Front Neck Drop - From imaginary line to top edge of front neck.
14 Back Neck Drop - From imaginary line to top edge of back neck.
15 Front Length - Measurement taken from HPS/SNP straight down to the hem.
16 Centre Back Length - From the centre back neck, measure straight down to the hem.
How to Measure - Vest

1 Chest - 1" below armhole measure straight across, edge to edge.
2 Waist - At point specified below HPS (High Point Shoulder) or SNP (Side Neck Point). Measurement taken straight across, edge to edge.
3 Hem - Measured straight across or along the curve at bottom edge, side seam to side seam (whichever is specified on the measurement chart).
4 Shoulder Seam - From HPS/SNP measure along the seam to the outer shoulder edge.
5 Armhole Straight - Measure straight from outer shoulder edge to bottom of armhole. Armhole Curved - Measure from outer shoulder edge along
6 Across Front - From specified point below HPS/SNP, measure straight across, edge to edge of armhole.
7 Across Back - From specified point below HPS/SNP, measure straight across, edge to edge of armhole.
8 Back Neck Width - Edge to edge, seam to seam or inside binding (whichever is specified on the measurement chart).
9 Front Neck Drop - From imaginary line to top edge of front neck.
10 Back Neck Drop - From imaginary line to top edge of back neck.
11 Front Length - Measurement taken from HPS/SNP straight down to the hem.
12 Centre Back Length - From the centre back neck, measure straight down to the hem.
How to Measure - Cami Vest

1. **Chest** - 1" below armhole measure straight across, edge to edge.
2. **Waist** - At point specified below centre front neck. Measurement taken straight across, edge to edge.
3. **Hem** - Measured straight across or curved along bottom edge, side seam to side seam (whichever is specified on the measurement chart).
4. **Armhole Curved** - Measure from the apex along the curve to underarm.
5. **Total Strap Length** - Measure from the front apex to the back apex.
6. **Front/Back Neck Width** - Measure straight across between straps.
7. **Front/Back Neck Drop** - From imaginary line to top edge of neckline.
8. **Front Length** - Measure from the apex straight down to the hem.
9. **Centre Back Length** - From top edge of centre back neck, measure straight down to the hem.
1 **Chest** - 1" below armhole measure straight across, edge to edge.
2 **Waist** - At point specified below HPS (High Point Shoulder) or SNP (Side Neck Point). Measurement taken straight across, edge to edge.
3 **Hem** - Measured straight or curved along bottom edge, side seam to side seam (whichever is specified on the measurement chart).
4 **Shoulder Seam** - From HPS/SNP measure along the seam or along the natural fold line to the outer shoulder edge.
5 **Across Shoulder** - Outer shoulder edge to outer shoulder edge
6 **Sleeve Over Arm** - From outer shoulder edge measure along fold to the edge of cuff.
7 **Armhole Straight** - Measure straight from outer shoulder edge to bottom of armhole. **Armhole Curved** - Measure from outer shoulder edge along curve to bottom of armhole.
8 **Bicep** - 1" below armhole, measure straight across edge to edge parallel to the sleeve opening.
9 **Cuff/Sleeve Opening** - Measure along cuff/sleeve opening, edge to edge.
10 **Cuff Depth** - Measure from the seam to edge of cuff.
11 **Across Front** - From specified point below HPS/SNP, measure straight across, edge to edge of armhole.
12 **Across Back** - From specified point below HPS/SNP, measure straight across, edge to edge of armhole.
13 **Front Neck Drop** - From back neck seam to top edge of front neck.
14 **Back Neck Drop** - From imaginary line to top edge of back neck seam.
15 **Front Length** - Measurement taken from HPS/SNP straight down to the hem, staying parallel to the centre front.
16 **Centre Back Length** - From the centre back neck, measure straight down to the hem.
How to Measure - Waistcoat

1 Chest - 1" below armhole measure straight across, edge to edge.
2 Waist - At point specified below HPS (High Point Shoulder) or SNP (Side Neck Point). Measurement taken straight across, edge to edge.
3 Hem - Measured straight across or along the bottom edge at back.
4 Shoulder Seam - From HPS/SNP measure along the seam to the outer shoulder edge.
5 Armhole Straight - Measure straight from outer shoulder edge to bottom of armhole. Armhole Curved - Measure from outer shoulder edge along curve to bottom of armhole.
6 Across Front - From specified point below HPS/SNP, measure straight across, edge to edge of armhole.
7 Across Back - From specified point below HPS/SNP, measure straight across, edge to edge of armhole.
8 Back Neck Width - Edge to edge or seam to seam.
9 Front Neck Drop - From imaginary line to break point.
10 Back Neck Drop - From imaginary line to top edge of back neck.
11 Front Length - Measurement taken from HPS/SNP straight down to hem at longest point.
12 Centre Back Length - From the centre back neck, measure straight down to the hem.
How to Measure - Jumper

1. **Chest** - 1” below armhole measure straight across, edge to edge.
2. **Waist** - At point specified below HPS (High Point Shoulder) or SNP (Side Neck Point). Measurement taken straight across, edge to edge.
3. **Hem Width** - Measured straight along bottom edge, side seam to side seam.
4. **Hem Rib Depth** - Measure from the top edge of the rib to the bottom edge at hem.
5. **Shoulder Seam** - From HPS/SNP measure along the seam to the outer shoulder edge.
6. **Across Shoulder** - Outer shoulder edge to outer shoulder edge.
7. **Sleeve Over arm** - From outer shoulder edge, measure along fold to the sleeve opening.
8. **Armhole Straight** - Measure straight from outer shoulder edge to bottom of armhole. **Armhole Curved** - Measure from outer shoulder edge along curve to bottom of armhole.
9. **Bicep** - 1” below armhole, measure straight across edge to edge parallel to the sleeve opening.
10. **Sleeve Opening** - Measure along sleeve opening, edge to edge.
11. **Sleeve Rib Depth** - Measure from the top edge of the sleeve rib to the bottom edge of sleeve opening.
12. **Across Front** - From specified point below HPS/SNP, measure straight across, edge to edge of armhole.
13. **Across Back** - From specified point below HPS/SNP, measure straight across, edge to edge of armhole.
14. **Back Neck Width** - Edge to edge, seam to seam or inside binding (whichever is specified on point of measure chart).
15. **Front Neck Drop** - From imaginary line to top edge of front neck.
16. **Back Neck Drop** - From imaginary line to top edge of back neck.
17. **Front Length** - Measurement taken from HPS/SNP straight down to the hem.
18. **Centre Back Length** - From the centre back neck, measure straight down to the hem.
How to Measure - Dress

1. **Chest** - 1" below armhole measure straight across, edge to edge.
2. **Waist** - At point specified below HPS (High Point Shoulder) or SNP (Side Neck Point). Measurement taken straight across, edge to edge.
3. **High Hip** - 4" below waist, measure straight across, edge to edge.
4. **Low Hip** - 8" below waist, measure straight across, edge to edge.
5. **Hem** - Measured straight or curved along bottom edge, side seam to side seam (whichever is specified on the measurement chart).
6. **Shoulder Seam** - From HPS/SNP measure along the seam to the outer shoulder edge.
7. **Sleeve Over arm** - From outer shoulder edge measure along fold to the sleeve opening.
8. **Armhole Straight** - Measure straight from outer shoulder edge to bottom of armhole. **Armhole Curved** - Measure from outer shoulder edge along curve to bottom of armhole.
9. **Bicep** - 1" below armhole, measure straight across edge to edge parallel to the sleeve opening.
10. **Cuff/Sleeve Opening** - Measure along cuff/sleeve opening, edge to edge.
11. **Cuff Depth** - Measure from seam to end of sleeve opening.
12. **Across Front** - From specified point below HPS/SNP, measure straight across, edge to edge of armhole.
13. **Across Back** - From specified point below HPS/SNP, measure straight across, edge to edge of armhole.
14. **Back Neck Width** - Edge to edge, seam to seam or inside binding (whichever is specified on the measurement chart).
15. **Front Neck Drop** - From imaginary line to top edge of front neck.
16. **Back Neck Drop** - From imaginary line to top edge of back neck.
17. **Front Length** - Measurement taken from HPS/SNP straight down to the hem.
18. **Centre Back Length** - From the centre back neck, measure straight down to the hem.
How to Measure - Skirt

1. **Waist** - Measured straight along top edge
2. **Waistband Depth** - From top edge of waistband to bottom edge of waistband.
3. **Top Hip** - Measure down 4" below waistband (or top edge if no waistband) and straight across edge to edge.
4. **Lower Hip** - Measure down 8" below waistband (or top edge if no waistband) and straight across edge to edge.
5. **Hem** - Measured straight or curved along bottom edge, side seam to side seam (whichever is specified on the measurement chart).
6. **Centre Back Length** - Excluding waistband, measure straight down to hem (if no waistband, measure from the top edge).
8. **Zip Length** - Measure from below waistband (or top edge if no waistband) to base of zip.
How to Measure - Trousers & Shorts

1. **Waist** - Measured straight along top edge
2. **Waistband Depth** - From top edge of waistband to bottom edge of waistband.
3. **Top Hip** - Measure down 4” below waistband (or top edge if no waistband) and straight across edge to edge.
4. **Lower Hip** - Measure down 8” below waistband (or top edge if no waistband) and straight across edge to edge.
5. **Leg Opening** - Measure from inner edge to outer edge straight across bottom opening.
6. **Thigh** - From 1” below crotch, measure from inner edge to outer edge straight across parallel to leg opening.
7. **Knee** - At halfway point between the crotch & leg opening, measure the knee width edge to edge parallel to leg opening.
8. **Front Rise** - Straighten rise without stretching and measure from below waistband (or top edge if no waistband) to crotch join.
9. **Back Rise** - Straighten rise without stretching and measure from below waistband (or top edge if no waistband) to crotch join.
10. **Inside Leg** - Measure from crotch join seam straight down to hem.
11. **Outside Leg** - Measure from below waistband at side seam straight down to hem.
12. **Yoke Depth at centre back** - Measure from below waistband/top edge straight down to longest point.
13. **Yoke Depth at side seam** - Measure from below waistband straight down along side seam.
1. **Chest** - 1" below armhole measure straight across, edge to edge.
2. **Waist** - At point specified below HPS (High Point Shoulder) or SNP (Side Neck Point). Measurement taken straight across, edge to edge.
3. **Lower Hip** - 8" below waist, measure straight across, edge to edge.
4. **Hem** - Measured straight or curved along bottom edge, side seam to side seam (whichever is specified on the measurement chart).
5. **Shoulder Seam** - From HPS/SNP measure along the seam to the outer shoulder edge.
6. **Sleeve Over arm** - From outer shoulder edge measure along fold to the sleeve opening.
7. **Armhole Straight** - Measure straight from outer shoulder edge to bottom of armhole. **Armhole Curved** - Measure from outer shoulder edge along curve to bottom of armhole.
8. **Bicep** - 1" below armhole, measure straight across edge to edge parallel to the sleeve opening.
9. **Cuff/Sleeve Opening** - Measure along cuff/sleeve opening, edge to edge.
10. **Cuff Depth** - Measure from seam to end of sleeve opening.
11. **Across Front** - From specified point below HPS/SNP, measure straight across, edge to edge of armhole.
12. **Across Back** - From specified point below HPS/SNP, measure straight across, edge to edge of armhole.
13. **Front Neck Drop** - From back neck seam to break point.
14. **Back Neck Drop** - From imaginary line to back neck seam.
15. **Front Length** - Measurement taken from HPS/SNP straight down to the hem, staying parallel to the centre front.
16. **Centre Back Length** - From the centre back neck, measure straight down to the hem.
How to Measure the following:

Collars
1 Collar - Leaf edge
2 Collar - Depth
3 Collar - Neck circumference
4 Collar - Stand depth
5 Collar - Point
6 Collar - Spread

Hoods & Roll necks
1 Hood Opening - At c/front
2 Hood Width - At widest
3 Hood - Overhead
4 Roll Neck Width - Top edge
5 Roll Neck - Depth
6 Roll Neck Width - Neck seam

Raglan
1 Sleeve - Over arm
2 Bicep - Width
3 Front - Raglan seam
4 Back - Raglan seam
How to Measure the following:

**Waistband, zips & belts**
1. Waistband/Belt - Depth
2. Belt Loop - Length
3. Belt Loop - Width
4. Drawstring - Length
5. Zip - Length
6. Belt - Length

**Pockets**
1. Pocket - Width
2. Pocket - Depth
3. Pocket Flap - Width
4. Pocket Flap - Depth
5. Pocket Opening - Straight
6. Pocket Opening - Along Curve
